Dear Mr. Gilbert:

We are pleased that you have accepted our invitation to participate in a panel discussion as part of a course we are conducting for Senior Intelligence Service Officers newly promoted to SIS-01 (SES-01 equivalent). The session is scheduled for 28 February, from 1:30 to 4:30 P. M. and will consider Community issues within the context of the major theme of the seminar, a contemporary focus on CIA and Intelligence Community efforts to counter terrorism.

Joining you on the panel will be representatives from the Defense Intelligence Agency, the Department of State, and the Agency. The session is informal. All remarks are off the record and, to encourage direct and frank exchange, the entire proceeding is nonattributable. The Course participants all hold Top Secret and Special Clearances.
